- 1. <u>Overview:</u> A Family Camp Get-A-Way at Camp Glacier Hollow in Nelsonville, WI. Fee includes snacks on Friday evening, 3 meals on Saturday and brunch on Sunday, lodging in a non-heated cabin and camp traditional programming (swimming, canoeing, kayaking, archery, hiking, fishing, environmental education programs and singing around the campfire with yummy SMORES). Families interested in tent camping or sharing a cabin with another family can receive a reduced family fee.
- 2. Facilities: Glacier Hollow has been operated as a camp for over 50 years. It is located 14 miles east of Stevens Point on crystal clear, spring-fed Lake Elaine. The ecological diversity of its forests, wetlands, glacial ridges and hollows make it an ideal setting for environmental education teaching and learning. Camp Glacier Hollow is leased by the Stevens Point Area YMCA. Participants stay in cabins built with lumber harvested on site and enjoy a log-style dining lodge & recreation center, one-of-a-kind campfire gazebo, health lodge, trading post and bathrooms with hot showers. When the day is done, the campfire circle on the beach by the waterfront is a relaxing place to watch the sunset.
